to me ▾

Dear Dr. Acep Unang Rahayu,

We do not have reviewer B's comments right now. We have sent your paper to three external reviewers and only one reviewer sends the comments to us. Therefore, we make the decision only based on the reviewer and internal editor's comments.

We could assign your paper for a second-round review if you prefer to receive more suggestions from other reviewers of us.

Sincerely

Joe Nelson

Editorial Assistant
