The reviewer's report (Comments for the Author) is essential to the editorial process. Your comments will have a major influence on our decision about the manuscript and the author(s) will benefit from your feedback. Your review will be anonymous unless you explicitly state that you wish to reveal your identity. It is essential that the author's manuscript be kept confidential. We request that you review the enclosed article. The review is part of a double-blinded review process in which the identity of the authors and the reviewers are masked. Please make all comments on this form, not on the manuscript. The manuscript should not be shown to anyone without permission from the journal.

General Remarks and Recommendations of Reviewer: ***THE DYNAMICS OF CASHLESS SOCIETY: A REVIEW****OVERALL SUGGESTIONS:**

1. Title: DINAMICS or DYNAMICS? Please check.

Suggestion: THE DYNAMICS OF CASHLESS SOCIETY: A SYSTEMATIC REVIEW

2. The article is well written, except very minor mistake on editing parts. The flow of ideas is coherent and clear.

3. Please address the suggestions of reviewer as follows.

ABSTRACT

- Clear and well-written.

INTRODUCTION

- May include the statistical data of worldwide cashless usage to draw attention of the readers.

LITERATURE REVIEW

- May add this section to the article. The authors may include a critical evaluation of the cashless system.

MATERIALS AND METHODS

- Combine the section of materials and methods. Otherwise, the authors may change into RESEARCH METHODOLOGY.
- The materials and methods section should include a clear and brief description of your research procedures.

RESULTS

- Well written instead of editing parts. It is recommended that the authors start this section with sentences/ explanations, followed by Figures/ Table.
- All figures / table should be labelling the source(s) of reference.

CONCLUSION

- Advice to adding the significance of study findings, limitations, and future research in this section.
- Also, the authors should highlight the policy/ policies related to this study.
