Dear Author,

We deeply apologize for the late galley proof.

I send the galley proof of your article. Please check the article thoroughly. Do not change the format and the layout of the article. **If there are any last revisions, please make them in yellow highlight.**

After the final revision, we will be able to publish your article online for the 9(2) 2021 issue.

We expected to receive your revision within 3 days. No response in 3 days means you have no revision on the galley.

Please acknowledge if you received this email.

Best Regards,

Jehan Ramdani
